Reference is made to the DDCI Memorandum, Serial: DCI/ICS 82-4274, subject as above, dated 9 October 1982. This Agency has reviewed your proposal for the conduct of the 1982 planning cycle and believes that the approach outlined is an excellent way to proceed towards the identification of future intelligence capabilities needed. The output from last year's Study effort was quite good and should prove most useful as the starting point for the follow-on work described in your memorandum.
